

**JESUS VILLAGE MOVIE-SET AND EDUCATIONAL  
LANDMARK AT EL MIRAGE CAMPUS  
IN SAN BERNARDINO**

**NATIVE STARS WILL BUILD PERMANENT BACK-SLOT SETS  
FOR GOSPEL-BASED MOVIES**

The terrain of San Bernardino perfectly matches the one in Israel. Native Stars plans to build authentically looking sets for production of Bible-based and in particular Gospel-based movies.

We will consult with the best experts on ancient Israel of the times of Jesus to build the sets for:

- A Jewish village
- A donkey station
- A water well

- Ancient Hebrew crafts:
  - ovens for baking bread
  - wheels for making pottery
  - wine-press
  - cloths weaving
  - smithy for tools and weapons

These sets will serve a triple purpose: Movie production, Education facility and a Tourist attraction.

EDUCATIONAL FACILITY. Tribal members and general public, and in particular students of California schools, can come on guided educational tours to learn Biblical history.

TOURIST ATTRACTION. A Gospel Village will become a landmark tourist attraction of Southern California.

**ALL THREE SERVICES WILL CHARGE FEES AND WILL GENERATE  
SUBSTANTIAL INCOME FOR THE TRIBE AND ITS ECONOMIC PARTNERS**
